

FAMILY VISION CARE

Eight Reasons Why You Should Buy Your Glasses From US!

1. We specialize in lifestyle dispensing – meaning we listen to your particular needs and design custom eyewear specifically to those needs!
2. Our optical team will use their expertise to help you select the perfect frame and lenses, taking precise measurements to ensure an accurate fit and great vision.
3. No charge re-examinations if your prescription is difficult to adjust to (there is a \$45 re-check fee with the doctor and/or a \$20 troubleshooting fee with the optical if you need us to check your glasses that are made elsewhere)
4. We'll give you a care kit with your glasses to keep them looking their best!
5. Unlimited tune-ups for the life of your frame, including ultrasonic cleaning, nose pads and screws
6. Almost 50% of online eyewear fails safety standards!
7. You'll save time (and money) purchasing your eyewear from the same place that created your prescription.
8. **You're supporting a locally owned business that gives back to YOUR community!**
